

FIN-72 Nova-line 72+8
aluminium-PVC

House in Thurgau

Aluminium-PVC windows in a single-family house.

The aim for this new building in the Swiss Canton of Thurgau was to find the best combination of modern design and good thermal protection. The answer to this question: FIN-72 Nova-line series windows with an all-glass look on the exterior. This solution meets the desire for large glass surfaces and slender profiles. The PVC core ensures very good thermal insulation.

Type of building	Single-family dwelling
Project	New build/conversion
Country	Switzerland
Region	Canton of Thurgau
